

Two awards at the ISBA

Two poster prizes for the HKI at the 18th International Symposium on Biology of Actinomycetes (ISBA)

13.06.2017 // 15:36

Two poster prizes for the HKI at the 18th International Symposium on Biology of Actinomycetes (ISBA)

Within the framework of the international conference which took place in Korea two scientists from the HKI won a prize for their poster contributions: Lisa Mahler, Ph.D. student in the field of Bio Pilot Plant, and Tina Netzker, researcher in the Department Molecular and Applied Microbiology, convinced the panel at the 18th edition of the symposium in Korea. The HKI received two out of two awards for Germany. Congratulations to the colleagues for their research achievements and the prizes.

The conference started in 1968 in Jena.

Impressions of the conference

ISBA18 POSTER PRIZE AWARDEE

Prize Name	ID No.	Author	Institution
World Science and Technology Poster Award	006_P19	Yusuf MUYIKER	Lahore Institute for Natural Product Research and Industrial Biotech (LI-NP&IB)
	006_P20	Maria VERONESI	University of Wisconsin-Madison
	006_P21	Yusuf MUYIKER	Tokyo University
ISBA18 Poster Award	006_P22	Yusuf MUYIKER	Langkabin
	006_P23	Yusuf MUYIKER	Tokyo University
ISBA18 Abstract Poster Prize	007_P01	Shahid KHAN	Institute of Microbiology, Kasub, Ministry of Sciences
	007_P02	Yusuf MUYIKER	Yoko Inoue Institute
	007_P03	Yusuf MUYIKER	Shanghai Jiao Tong University
ISBA18 Student Society for Antimicrobials Poster Prize	007_P04	Shahid KHAN	National Institute of Advanced Industrial Science and Technology
ISBA18 Journal of Microbiology Poster Prize	007_P05	Yusuf MUYIKER	Lahore Institute for Natural Product Research and Industrial Biotech
Special Product Research Prize	008_P11	Yusuf MUYIKER	Yoko Inoue Institute
