

27.06.2019

Lecture hall Koch and Pasteur, Leibniz-HKI

2nd Industry Contact Forum

The 2nd Industry Contact Forum is organized by the following consortia:

- CRC/Transregio 124 FungiNet (www.funginet.de)
- Cluster of Excellence “Balance of the Microverse” (www.microverse-cluster.de)
- Jena School for Microbial Communication (www.jsmc.uni-jena.de)
- International Leibniz Research School (www.ilrs.de)
- InfectControl2020 (www.infectcontrol.de)
- Leibniz Research Cluster (www.leibniz-research-cluster.de)

At the 2nd Industry Contact Forum, doctoral researchers will present selected projects, and industrial partners and other organisations have the opportunity to present career paths in the Life Sciences.

The programme can be found [here](#).
