

2nd Industry Contact Forum Program

Thursday, June 27th, 2019

Leibniz Institute for Natural Product Research and Infection Biology –
Hans Knöll Institute (Leibniz-HKI)

Beutenbergstr. 11a, 07745 Jena
Building A8, 1st floor

Lecture hall *Robert Koch & Louis Pasteur*

- 09:00** Dr. Hendrik Huthoff · *Jena School for Microbial Communication (JSMC)*
Welcome
- Talks by Doctoral Researchers:**
- 09:10** Aleksa Stanišić · *Leibniz Institute for Natural Product Research and Infection Biology – Hans Knöll Institute (Leibniz-HKI), Jun. Res. Group Biosynthetic Design of Natural Products, Jena*
„A multiplexed UPLC-MS/MS assay for specificity profiling of adenylating enzymes”
- 09:30** Mareike Stellfeld · *Friedrich-Loeffler-Institut, Dept. Rickettsiology, Jena*
„Safe diagnostics for control of zoonotic pathogens - Development of a new test system for *Coxiella burnetii*”
- 09:50** Johann Kufs · *Leibniz Institute for Natural Product Research and Infection Biology – Hans Knöll Institute (Leibniz-HKI), Jun. Res. Group Biobricks of Microbial Natural Product Syntheses, Jena*
„Multi-gene expression platforms for the heterologous production of secondary metabolites”
- 10:10** Sundar Hengoju · *Leibniz Institute for Natural Product Research and Infection Biology – Hans Knöll Institute (Leibniz-HKI), Bio Pilot Plant, Jena*
„Optofluidic approaches for multi-parametric analysis of microbiological samples in droplets”
- 10:30** ***Coffee Break & Industry Exhibition***
- Talks by Non-Academic Representatives:**
- 11:15** Dr. Volha Skrahina · *Centogene AG, Rostock*
„Clinical studies in rare genetic disease”
- 11:45** Dr. Dana Kralisch · *JeNaCell GmbH, Jena*
„From innovation to market success – Experiences of a young biotech company”
- 12:15** ***Lunch Break***

13:15 **Dr. Eva Scharfenberg** · *Bundesamt für Verbraucherschutz und Lebensmittelsicherheit (BVL), Berlin*

„The BVL as a potential employer ”

13:45 **Dr. Katrin Seyfarth** · *SmartDyeLivery GmbH, Jena*

„SmartDyeLivery GmbH – Targeted drug delivery by nanoparticles”

14:15 **Coffee Break & Industry Exhibition**

14:45 **Dr. Stefanie Seitz** · *Service Center for Research and Transfer of the Friedrich Schiller University Jena, Project NUCLEUS Jena*

„Transfer – The added value of cooperation with economy and civil society”

15:15 **Dr. Sebastian Höpfner** · *Bird & Bird LLP, Düsseldorf*

„Patenting diagnostic biomarkers, drug targets and personalized medicine”

15:45 **Coffee & End of the event**

Kindly supported by

- BioControl Jena GmbH · Jena
- Bird & Bird · Düsseldorf
- Bundesamt für Verbraucherschutz und Lebensmittelsicherheit (BVL) · Berlin
- Centogene AG · Rostock
- JeNaCell GmbH · Jena
- microfluidic ChipShop · Jena
- Service Center for Research & Transfer of the Friedrich Schiller University Jena, Project NUCLEUS · Jena
- SmartDyeLivery GmbH · Jena
